Caring Hands

Meadowlark Lane a Secured Dementia Unit

Meadowlark Lane is a safe and secure home. Pam Offerdahl can attest to that. Pam's husband, David, was diagnosed with frontotemporal dementia (FTD) in August 2001 when he was 56 years old. The disease tends to start at a younger age than Alzheimer's. When they first were told of this disease it was noted that it would be more difficult on the family than it would be on David. This disease has no cure and its progression cannot be slowed by medication. It is uncertain how quickly it will progress to the late stages, in which the brain damage will become more generalized and more like Alzheimer's.

Pam chose Luther Memorial Home to care for David when she was unable to herself. Because of the behaviors David was experiencing from the disease she needed to find a place where she knew he was safe. After visiting Meadowlark Lane at Luther Memorial Home, she and her family knew that he would be safe and were pleased with the care they saw other residents receiving and the environment.

"Maybe the biggest compliment I can give Luther Memorial Home is that when the time comes and I need constant care, I hope my sons enter me in Luther Memorial Home." Pam Offerdahl

David Offerdahl and his wife Pam spending time together doing an activity that David enjoys in Meadowlark Lane. David Offerdahl taught mathematics for 35 years. He attended grade school in Mayville, high school in Hillsboro, and college at Mayville State. He has been married for 40 years to Pamela (Bakkum) Offerdahl. They have two sons: Corey, an electrical engineer living in Minneapolis and Brent, a teacher, living in Missouri. On March 20, Pam will participate in a panel discussion on care giving at the Meeting of the Minds Conference sponsored by the Alzheimer's Minnesota-North Dakota and the Mayo Clinic in St. Paul.

When asked what she likes most about Luther Memorial Home, Pam responded:

- The friendly and inviting atmosphere.
- The entire staff is always interacting with residents and they greet visitors and family with the same warmth, compassion, smiles and humor that their residents receive.
- The residents are always neatly dressed and being cared for and treated with dignity and respect.
- The entire staff understands dementia and knows it is the disease not the person causing the behavior associated with the disease.
- The entire staff focuses on the things that are important to the resident: routine, the resident's happiness, their safety and, most of all feeling loved.
- Everyone who works at Luther Memorial Home does so with a team effort and handles concerns of the family in a professional and caring manner.

(Pam noted "entire" staff because she said not just the caregivers at Luther Memorial Home make the environment what it is...everyone does!)

'ALIVE' CONCERT

Sunday, March 21 • 4:00 p.m.
Ebenezer Lutheran Church

'ALIVE' is a gospel choir based in Kulm, ND and is directed by Steve Anderson. The choir was organized in 1990 and is now in its 20th concert season. The members of the choir reside in the south central North Dakota communities of Kulm, Jud, Ellendale, Lehr, Gackle and Fredonia, and represent six church denominations as well as a wide variety of occupations. ALIVE takes its name from Roman 6:11 "Even so, consider yourselves dead to sin and alive to God in Christ Jesus." The choir is unified in its love of gospel music proclaiming the love and grace of their Savior, Jesus Christ. ALIVE performs many styles of gospel music ranging from contemporary christian music, spirituals, southern gospel, and arrangements of traditional hymns. This year's concert features favorite selections from the past 20 years. The choir's goal for each concert is to see hearts touched and lives changed. You are invited to come and worship with them.

Riverwood Adventures!

We just got a new house in Riverwood! I get my own room now, so I don't have to share with my baby brother or my little sister. She's okay sometimes, like when we make forts in our new woods down the hill by the river. The river's got kind of a funny name - Goose River - but it is fun watching all the animals back there - maybe that's why they call it Goose! Dad just built us a tree house in the biggest tree I've ever seen! I'm going to make sure there're no girls allowed.

We also get to ride our bikes and roller-blade all over - to the water park, to school, and even to the bowling alley! It's awesome! I'm sure glad we moved to Mayville-Portland. I love it here!

In Mayville-Portland the possibilities are endless. To find out what you can do in Mayville-Portland call 701.788.5252 or visit mayvilleportland.com and click on housing!

A farmer's life is long days and hard work.

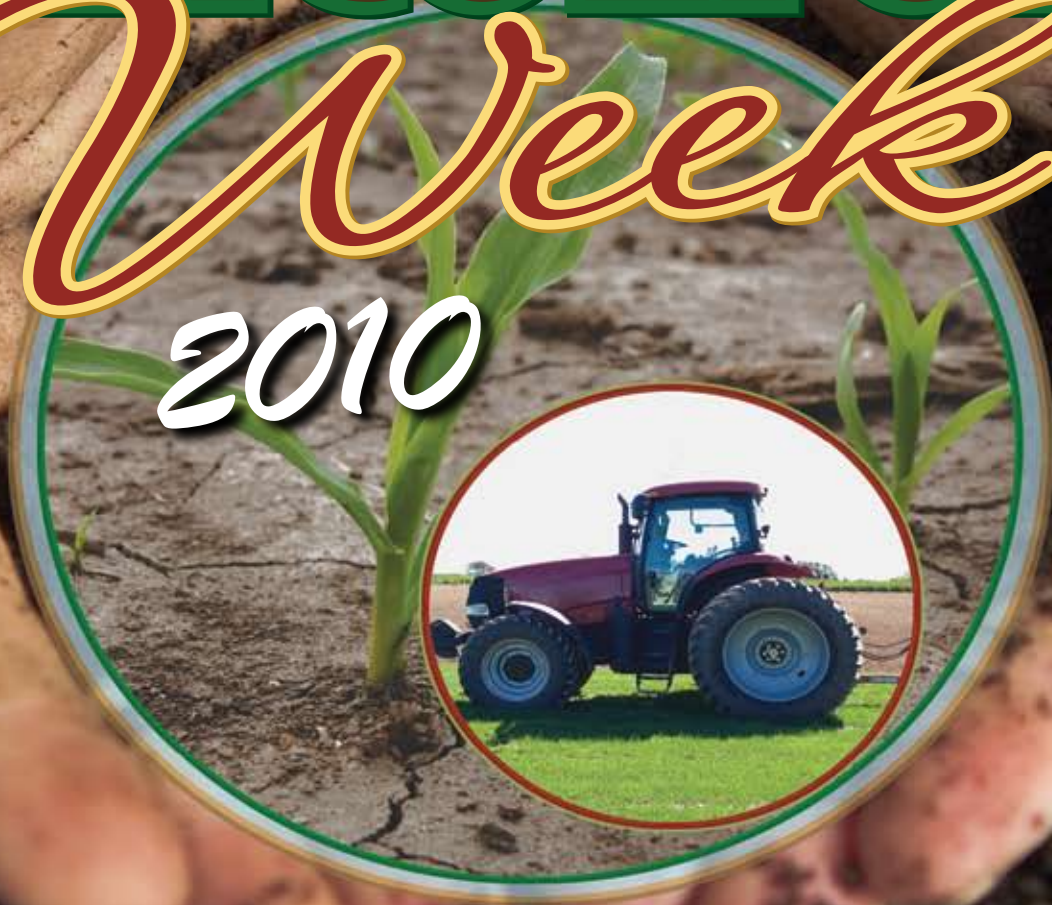

It's the joy of record bushels per acre, and the despair of a rain-ruined crop.
